PURE MULTI-FAMILY REIT LP

INFORMATION CIRCULAR

(Containing information as at April 14, 2014 unless indicated otherwise)

SOLICITATION OF PROXIES

This Information Circular is furnished in connection with the solicitation of proxies by the directors (the “Directors”) of the governing general partner, Pure Multi-Family REIT (GP) Inc. (the “Governing GP”), of Pure Multi-Family REIT LP (“Pure Multi”) for use at the annual and special meeting (the “Meeting”) of holders (the “Unitholders”) of Class A units (the “Class A Units”) and Class B units (the “Class B Units” and together with the Class A Units, the “Units”) of Pure Multi to be held at The Sutton Place Hotel, 845 Burrard Street, Vancouver, British Columbia, in the Chateau Belair, Second Floor, at 11:00 a.m. (Pacific Time), on May 21, 2014, or at any adjournments thereof, for the purposes set forth in the accompanying Notice of Annual and Special Meeting.

It is expected that the solicitation of proxies for the Meeting will be primarily by mail, but proxies may be solicited personally, by telephone or by other means of communication by the Directors, who will not be specifically remunerated therefor. All costs of solicitation of proxies by or on behalf of the Directors will be borne by Pure Multi.

No person has been authorized to give any information or to make any representation other than as contained in this Information Circular in connection with the solicitation of proxies. If given or made, such information or representations must not be relied upon as having been authorized by Pure Multi. The delivery of this Information Circular shall not create, under any circumstances, any implication that there has been no change in the information set forth herein since the date of this Information Circular. This Information Circular does not constitute the solicitation of a proxy by anyone in any jurisdiction in which such solicitation is not authorized, or in which the person making such solicitation is not qualified to do so, or to anyone to whom it is unlawful to make such an offer of solicitation.

APPOINTMENT OF PROXIES

Registered Unitholders are entitled to vote at the Meeting. The persons named in the accompanying Form of Proxy are Directors. A Unitholder desiring to appoint some other person, who need not be a Unitholder, to attend and act on the Unitholder’s behalf at the Meeting has the right to do so, by striking out the printed names and inserting the name of such other person and, if desired, an alternate to such person, in the blank space provided in the Form of Proxy. Such Unitholder should notify the nominee of the appointment, obtain the nominee’s consent to act as proxy and should provide voting instructions to the nominee. The nominee should bring personal identification to the Meeting.

A Form of Proxy must be in writing and signed by the Unitholder or by the Unitholder’s attorney duly authorized in writing or, if the Unitholder is a body corporate or association, under its seal or by an officer or attorney thereof duly authorized indicating the capacity under which such officer or attorney is signing. If an attorney executes the Form of Proxy, evidence of the attorney’s authority must accompany the Form of Proxy. A proxy will not be valid unless the completed Form of Proxy is received by Computershare Investor Services Inc., 100 University Avenue, 8th Floor, Toronto, Ontario M5J 2Y1 (facsimile: 1-866-249-7775) not less than 48 hours

(excluding Saturdays, Sundays and holidays) prior to the time of the Meeting, or any adjournment or postponement thereof.

Beneficial Unitholders who hold their Units of Pure Multi through an intermediary/broker are not entitled, as such, to vote at the Meeting through a proxy. Regulatory policy requires intermediaries/brokers to seek voting instructions from Beneficial Unitholders in advance of the Meeting. Beneficial Unitholders should carefully follow the instructions of their intermediary/broker, including those on how and when voting instructions are to be provided, in order to have their Units voted at the Meeting. See “Beneficial Unitholders”.

REVOCATION OF PROXIES

A Unitholder who has given a Form of Proxy may revoke it by an instrument in writing that is signed and delivered to Computershare Investor Services Inc. in the manner as described above so as to arrive at any time up to and including the last business day preceding the day of the Meeting, or any adjournment or postponement thereof, at which the Form of Proxy is to be used, or to the chair of the Meeting on the day of the Meeting or any adjournment or postponement thereof, or in any other manner provided by law. Also, a proxy will automatically be revoked by either: (i) attendance at the Meeting and participation in a poll (ballot) by a Unitholder, or (ii) submission of a subsequent proxy in accordance with the foregoing procedures. A revocation of a Form of Proxy does not affect any matter on which a vote has been taken prior to the revocation.

VOTING OF PROXIES

The Director representatives designated in the accompanying Form of Proxy will vote or withhold from voting the Units in respect of which they are appointed proxy on any poll that may be called for in accordance with the instructions of the Unitholder as indicated on the Form of Proxy and, if the Unitholder specifies a choice with respect to any matter to be acted upon, the Units will be voted accordingly. Where no choice is specified in the Form of Proxy, such Units will be voted “for” the matters described therein and in this Information Circular.

The accompanying Form of Proxy confers discretionary authority upon the person appointed proxy thereunder to vote with respect to amendments or variations of matters identified in the Notice of Annual and Special Meeting and with respect to other matters that may properly come before the Meeting. In the event that amendments or variations to matters identified in the Notice of Annual and Special Meeting are properly brought before the Meeting or any other business is properly brought before the Meeting, it is the intention of the Director representatives designated in the accompanying Form of Proxy to vote in accordance with their best judgment on such matters or business. At the time of the printing of this Information Circular, the Directors know of no such amendment, variation or other matter, which may be presented to the Meeting.

In the case of abstentions from, or withholding of, the voting of the Units on any matter, the Units that are the subject of the abstention or withholding will be counted for determination of a quorum, but will not be counted as affirmative or negative on the matter to be voted upon.

BENEFICIAL UNITHOLDERS

These meeting materials are being sent to both registered and non-registered Unitholders. If you are a non-registered Unitholder and Pure Multi or its agent has sent these materials directly to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the intermediary/broker holding on your behalf.

The information set forth in this section is important to all Unitholders of Pure Multi. Unitholders who do not hold their Units in their own name are referred to in this Information Circular as “Beneficial Unitholders”. Beneficial Unitholders should note that only a Unitholder whose name appears on the records of Pure Multi as a registered holder of Units or a person they appoint as a proxy can be recognized and vote at the Meeting. Currently, all issued and outstanding Class A Units are in a book-based system administered by CDS

Clearing and Depository Services Inc. (“CDS”). Consequently, all Class A Units are currently registered under the name of CDS & Co. (the registration name for CDS). CDS also acts as nominee for brokerage firms through which Beneficial Unitholders hold their Units. Units held by CDS can only be voted (for or against resolutions) upon the instructions of the Beneficial Unitholder.

Applicable regulatory policy requires intermediaries/brokers to whom meeting materials have been sent to seek voting instructions from Beneficial Unitholders in advance of Unitholders’ meetings. Every intermediary has its own mailing procedures and provides its own return instructions, which should be carefully followed by Beneficial Unitholders in order to ensure that their Units are voted at the Meeting. Often, the Form of Proxy supplied to a Beneficial Unitholder by its broker is identical to that provided to registered Unitholders. However, its purpose is limited to instructing the registered Unitholder how to vote on behalf of the Beneficial Unitholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. (“Broadridge”). Broadridge typically prepares a special voting instruction form, mails those forms to the Beneficial Unitholders and asks for appropriate instructions respecting the voting of Units to be represented at the Meeting. Beneficial Unitholders are requested to complete and return the voting instruction form to Broadridge by mail or facsimile. Alternatively, Beneficial Unitholders can call a toll-free telephone number or access Broadridge’s dedicated voting website (each as noted on the voting instruction form) to deliver their voting instructions and vote the Units held by them. Broadridge then tabulates the results of all voting instructions received and provides appropriate instructions respecting the voting of Units to be represented at the Meeting. A Beneficial Unitholder receiving a voting instruction form cannot use that voting instruction form to vote Units directly at the Meeting. The voting instruction form must be returned as directed by Broadridge well in advance of the Meeting in order to have the Units voted. Beneficial Unitholders who receive forms of proxies or voting materials from organizations other than Broadridge should complete and return such forms of proxies or voting materials in accordance with the instructions on such materials in order to properly vote their Units at the Meeting.

Beneficial Unitholders cannot be recognized at the Meeting for purposes of voting their Units in person or by way of depositing a Form of Proxy. If you are a Beneficial Unitholder and wish to vote in person at the Meeting, please see the voting instructions you received or contact your intermediary/broker well in advance of the Meeting to determine how you can do so.

Beneficial Unitholders should carefully follow the voting instructions they receive, including those on how and when voting instructions are to be provided, in order to have their Units voted at the Meeting.

QUORUM

A quorum for any meeting of Unitholders shall be individuals present not being less than two in number and being Unitholders or representing by proxy Unitholders who hold in aggregate not less in aggregate than five percent of the total number of outstanding Units.

The LP Agreement provides for the management and control of Pure Multi by a general partner. VOTING UNITS AND PRINCIPAL HOLDERS THEREOF

Pure Multi’s Class A Units and Class B Units collectively comprise the Units referred to in this Information Circular. As of the date hereof, there are: 24,089,000 Class A Units issued and outstanding, each of which entitles the holder to exercise one vote at any meeting of Pure Multi, and 200,000 Class B Units issued and outstanding. Pursuant to the terms of the LP Agreement, the holders of the Class B Units as a group are entitled to exercise that number of votes which is equal to the total number of votes attached to the Class A Units, multiplied by the Class B Unit Percentage Interest (as defined in the LP Agreement) and divided by the Class A Unit Percentage Interest (as defined in the LP Agreement). Each Class B Unit entitles the holder of record thereof to exercise a voting interest determined by dividing the number votes exercisable by the holders of the Class B Units as a group by the total number of outstanding Class B Units. The LP Agreement is available on SEDAR at www.sedar.com, and, upon request, Pure Multi will promptly provide a copy of the LP Agreement to a Unitholder free of charge.

Collectively, the Class A Units exercise an aggregate of 24,089,000 votes, representing 95% of the votes attached to the Units as a whole. Pursuant to the terms of the LP Agreement, the Class B Units are entitled to exercise an aggregate of 1,267,842 votes, representing the remaining 5% of the votes attached to the Units as a whole. Accordingly, each Class B Unit entitles the holders of record thereof to exercise a voting interest equal to 6.33921 votes per Class B Unit.

On a show of hands, unless a poll is demanded, every person present and entitled to vote will be entitled to one vote. Only registered holders of Units at the close of business on April 7, 2014, the record date established by the Directors, are entitled to vote at the Meeting.

To the knowledge of the Directors and the executive officers, no person or company beneficially owns, directly or indirectly, or exercises control or direction over, voting securities of Pure Multi carrying more than 10% of the voting rights attached to any class of voting securities of Pure Multi.

Darren Latoski was the Executive Chair until his passing on September 7, 2013 and during his time as Executive Chair Mr. Latoski did not receive any executive compensation, equity incentive plan compensation or non-equity incentive plan compensation. The disclosure set out below relating to the compensation of the Named Executive Officers is prospective. Upon the occurrence of a Determination Event (as defined in the LP Agreement) and certain other events, as described herein, the Named Executive Officers may be eligible to receive compensation from Pure Multi or the Governing GP. To date, the Named Executive Officers have not received any compensation from Pure Multi or the Governing GP.

Compensation Discussion and Analysis

Pure Multi’s overall approach to compensation will be to provide senior executives with total compensation that is competitive to that of similar positions in the Canadian and United States real estate industry and for public entities of similar size as Pure Multi.

Objectives

The objectives of Pure Multi’s compensation program will be to:

- attract and retain qualified executive officers;
- motivate executive officers to deliver strong business performance;
- maintain competitive compensation levels for executive officers;
- ensure a significant portion of executive compensation is dependent upon individual and overall business performance, aligning the interests of executive officers with the interests of Unitholders, to create Unitholder value; and
- ensure the executive compensation program is simple to communicate and administer.

While Pure Multi’s objective will be to pay for performance and remain competitive in the marketplace for executive talent, Pure Multi will consider the expense of compensation and benefits in relation to its consolidated budget and financial strength as a significant factor in determining compensation levels. Pure Multi will carefully consider information relating to the anticipated cost that will be incurred in making any determination with respect to proposed compensation decisions.

Pure Multi intends to keep its compensation program simple to communicate and administer by focusing on base salary and bonus. Pure Multi will not have any pension plan for the Named Executive Officers (as defined under “Elements of Compensation – Non-Equity Incentive Plan”) but will offer entitlement to a restricted unit plan and incentive option plan, as described herein.

Compensation Principles

Pure Multi's overall approach to compensation will be to provide senior executives with total compensation that is generally competitive to that of similar positions in the industry and in Canadian public issuers of similar size as Pure Multi. It is intended that senior executive compensation will comprise a base salary, performance-based incentives and Unit and security-based awards. Base salaries will generally be set at a competitive compensation range for each position, with performance-based incentives providing the opportunity for total compensation at the higher end of the range. Performance-based incentives include annual cash bonuses and awards that reflect Pure Multi's operating results as well as achievement of strategic initiatives. Security based and awards enable Pure Multi to attract and retain executive talent by aligning the executives' interests with its long-term corporate objectives.

Pure Multi believes that compensation levels should reflect performance – both personal performance of the Named Executive Officers and the performance of Pure Multi as a whole. Pure Multi will provide a base fixed compensation, as well as compensation that is variable, or “at risk” in nature. This approach is expected to help link compensation to performance by making a portion of the Named Executive Officers' compensation in any given year variable and thus subject to decrease or increase based on Pure Multi's and individual performance during the year. This approach is intended align the interest of the Named Executive Officers with Unitholders.

Setting Executive Compensation

Roles and Responsibilities

The Directors have established the Compensation Committee (the “Compensation Committee”), whose members are John O'Neill, James Redekop and James Speakman.

The Compensation Committee assists the Directors in determining compensation of senior management as well as reviewing the adequacy and form of Directors' compensation; annually reviews the Chief Executive Officer's goals and objectives for the upcoming year and performs an appraisal of the Chief Executive Officer's performance; and administers and makes recommendations regarding the operation of the long-term and other incentive plans.

Pure Multi recognizes the importance of appointing knowledgeable and experienced individuals to the Compensation Committee. All Compensation Committee members have the necessary background and skills to provide effective oversight of executive compensation and ensure that sound risk management principles are being adhered to in order to align Pure Multi's and Unitholders' interests. More specifically, all of the Compensation Committee members have significant senior leadership experience from their tenures at public and private organizations, as well as operational or functional experience overseeing executive compensation in those organizations.

In fulfilling its duties and responsibilities, the Compensation Committee seek periodic input, advice and recommendations from various sources, including the Directors, executive officers and external independent compensation consultants with respect to the compensation of the Directors and executive officers.

The Compensation Committee retains discretion in its executive compensation decisions and is not bound by the input, advice and/or recommendations received from the external independent consultant.

The Chief Executive Officer will be actively engaged in Pure Multi's compensation programs (other than with respect to his own compensation package). The Chief Executive Officer will conduct an annual evaluation of each of the Named Executive Officer's performance for the previous year, and recommend salary adjustments and short-term incentive awards to the Compensation Committee. The recommendations are reviewed and approved by the Compensation Committee after discussion and adjustment, if appropriate.

Process

The compensation of Named Executive Officers, other than the Chief Executive Officer, will be recommended by the Chief Executive Officer and reviewed and approved by the Compensation Committee. The compensation of the Chief Executive Officer will be recommended by the Compensation Committee and approved by the Directors.

Performance goals for the purpose of executive compensation are reviewed and set by the Directors and the Compensation Committee at meetings held typically in March of each year. The Directors, in consultation with management, will set Pure Multi's organizational wide performance goals, and the Compensation Committee, in consultation with the Chief Executive Officer, will set each of the other Named Executive Officer's individual performance goals and compensation targets.

The results of the Named Executive Officers' performance and compensation review by the Compensation Committee are communicated to the Named Executive Officers in December of each year.

Benefits and Perquisites

Pure Multi will offer only limited perquisites to the Named Executive Officers, and only where Pure Multi believes such perquisites promote the retention of the Named Executive Officers or promote the efficient performance of the Named Executive Officers' duties. Pure Multi does not believe that perquisites and benefits should represent a significant portion of the compensation package for Named Executive Officers.

Recovery of Compensation

The Compensation Committee has not developed a policy specifying the consequences with respect to past compensation payments or awards if misconduct or mistake by an operating platform or its employees will result in a restatement of its financial statements. In the event of a restatement, the Compensation Committee will develop an appropriate response in relation to past compensation payments or awards.

Performance Goals

The primary performance goal for the Chief Executive Officer will be to increase Pure Multi's long-term cash flow and facilitate growth in the price of the Units. The Chief Executive Officer will be incentivized to achieve this goal by means of Units granted under the Restricted Unit Plan (as described herein), should it be approved by the Unitholders, the Equity Option Plan (as described herein), should it be approved by the Unitholders, along with a base salary and bonus, when applicable.

The performance goals for the other Named Executive Officers include both Pure Multi objectives and individual objectives:

- operating return on assets achieved by Pure Multi, and by the Named Executive Officer's responsibility;
- operating efficiency through diligent monitoring of operating costs;
- contribution to achievement of annual corporate initiatives (e.g. business practice improvements, integration of newly acquired business units, training program development, marketing campaign and new product introduction); and
- individual objectives agreed to with the Chief Executive Officer, such as contribution to the development of employee talent for future management potential.

Elements of Compensation

Base Salary

Pure Multi will pay salaries to attract and retain executive talent and provide fair and competitive compensation commensurate with experience and consistent effective performance in discharging day-to-day responsibilities. Base salary is important to give an individual financial stability for personal planning purposes.

In reviewing the base salary of each Named Executive Officer, Pure Multi will consider the responsibilities, performance and experience of the Named Executive Officer, historical compensation and contractual commitments, and the recommendations of the Chief Executive Officer (for all Named Executive Officers other than the Chief Executive Officer). The Chief Executive Officer's base salary will be reviewed and recommended for adjustment, if any, by the Compensation Committee. In considering base salary levels, the Compensation Committee will not utilize any specific weighting of the above factors.

Non-Equity Incentive Plan

In addition to base salaries when applicable, Pure Multi intends to provide the Named Executive Officers with non-equity incentive awards that are paid as cash. These awards are based on the achievement of Pure Multi in relation to the relevant individual performance goals referred to above and the overall discretion of the Compensation Committee especially in the case of meaningful performance by a Named Executive Officer. The Compensation Committee views non-equity incentives are key to motivate Named Executive Officers on job aspects that are performance-based.

Equity Incentive Plans

The Compensation Committee is of the view that the grant of unit-based awards or option-based awards assists in aligning the interests of the Named Executive Officers and Directors with those of Unitholders, thereby preserving and enhancing Unitholder value in the long term. The Compensation Committee will recommend to the Directors the individuals who shall be granted such unit-based awards or option-based awards. See "Particulars of Other Matters to be Acted Upon – Approval of Restricted Unit Plan" and "Particulars of Other Matters to be Acted Upon – Approval of Equity Option Plan".

Management of Compensation Risk

The Directors and the Compensation Committee have not formally considered the implications of the risks associated with Pure Multi's compensation policies and practices. The risk, however, is expected to be mitigated by the Directors' active involvement at the strategic level of Pure Multi's businesses, including:

- annual approval of Pure Multi's operational and capital budgets and ongoing review of variances between actual and budgeted results; and
- approval of business acquisitions as they arise, followed by rigorous review of the acquisition process including management's undertaking of due diligence.

The Directors' oversight will help to ensure proper monitoring of the level of risk-taking by management. This will allow the Directors to be responsive to management's potential bias towards achieving short-term goals at the expense of long-term sustainability and Unitholders' value. Furthermore, the Compensation Committee and the Directors can use discretion in assessing both an individual named executive's and Pure Multi's overall performance.

Financial Instruments

Pure Multi has not placed a restriction on the purchase by its Named Executive Officers or other employees of financial instruments (including prepaid variable forward contracts, equity swaps, collars or units of exchange funds) that are designed to hedge or offset a decrease in the market value of equity securities granted as compensation or held, directly or indirectly, by the Named Executive Officer or employee.

Pension Plan Benefits

Pure Multi does not currently have a defined benefit plan or any pension plans that provides for payments or benefits, following, or in connection with retirement of any Named Executive Officer or Director. No funds were set aside or accrued by Pure Multi during the fiscal year ended December 31, 2013 to provide pension, retirement or similar benefits for its Named Executive Officers or Directors pursuant to any existing plan provided or contributed to by Pure Multi.

Termination and Change of Control Benefits

Pure Multi believes that severance and change of control benefits can be necessary in order to attract and retain high calibre executive talent. Severance benefits are appropriate, particularly with respect to a termination without cause since in that scenario, both Pure Multi and the Named Executive Officer will have a mutually agreed upon severance package that is in place prior to any termination event which provides certainty and the flexibility to make changes in executive management if such change is in the best interests of Pure Multi. Change in control benefits are intended to ensure stability of leadership at a time of heightened uncertainty and to better enable Named Executive Officers to advise the Directors whether an ownership change proposal is in the best interests of the Unitholders without such officers being unduly influenced by the possibility of employment termination. Severance and change in control benefits will be negotiated and set with regard to the experience level of the individual, the complexity of the position and other relevant market factors.

Except as set out below, Pure Multi has no contract, agreement, plan or arrangement that provides for payments to a Named Executive Officer, at, following or in connection with any termination (whether voluntary, involuntary or constructive), resignation, retirement, a change of control of Pure Multi or a change in the Named Executive Officer’s responsibilities.

Effective October 3, 2013, the Governing GP entered into an employment agreement (the “Employment Agreement”) with Stephen Evans as chief executive officer. Effective the same date, Pure Multi executed a joinder to employment agreement to be, and be deemed to be, a party to the Employment Agreement and to observe and perform all of the covenants and provisions contained in therein and on the part of the Governing GP therein to be observed or performed. The Employment Agreement is for an indefinite term but may be terminated by Mr. Evans upon 90 days’ notice. Subject to the occurrence of a material event (defined below), Mr. Evans will receive a base salary, be considered for payment of a discretionary performance based bonus and/or any other incentive program authorized by the Directors, and be entitled to the Governing GP and Pure Multi’s benefits programs, including, without limitation, extended health coverage throughout his employment. Subject to the occurrence of a material event, (i) during any permanent disability, the Governing GP and/or Pure Multi will continue to pay Mr. Evans his full base salary for the earlier of two years and the duration of the disability and he remains entitled to the Governing GP and/or Pure Multi’s benefits program and extended health coverage; (ii) in the event of the death of Mr. Evans, the Governing GP and/or Pure Multi will pay his estate an amount equal to one times his most recent base salary;

and (iii) in the event Mr. Evans' employment is terminated without cause and in the event he resigns in certain circumstances as specified in the Employment Agreement, he will be paid an amount equal to the greater of \$1,000,000 or one times the most recent annual base salary. At any time while the Employment Agreement is in force, including before the occurrence of a material event, in the event of a change in control of Pure Multi, Mr. Evans will receive a lump-sum payment equal to the greater of \$1,500,000 or three times his most recent annual base salary. The Employment Agreement contains confidentiality covenants by Mr. Evans, which will continue for two years after Mr. Evans ceases to be employed by the Governing GP.

For purposes of the Employment Agreement, a material event includes:

- (a) the termination of the Asset Management Agreement by Pure Multi (including the termination of the Asset Management Agreement during any renewal term of the Asset Management Agreement), it being expressly understood and agreed that any material change to or under the Asset Management Agreement that adversely affects the Managing GP and/or Mr. Evans shall be considered to be a termination of the Asset Management Agreement for the purposes of the Employment Agreement;
- (b) the occurrence of a Determination Event (as defined in the LP Agreement); and
- (c) any transaction or series of related transactions that has the substantial effect of any one or more of the foregoing provisions for the Governing GP or Pure Multi.

MANAGEMENT CONTRACTS

Asset Management Agreement

The Managing GP provides management, advisory, administrative, and reporting services to Pure Multi pursuant to an Asset Management Agreement dated as of May 8, 2012 between Pure Multi and the Managing GP. The Asset Management Agreement also requires the Managing GP to provide Pure Multi with support services consisting of office space and equipment and the necessary clerical and secretarial personnel for the administration of its day-to-day activities, at no cost. Under the Asset Management Agreement, Pure Multi is required to reimburse the Managing GP for all reasonable expenses associated with the operation of Pure Multi, including any third party costs which are reasonably incurred by the Managing GP on behalf of Pure Multi.

Property Management Agreement

Sunstone Multi-Family Management Inc. (the "Property Manager") provides property management services to Pure US Apartments REIT Inc. (the "US REIT") in respect of each of the Properties pursuant to a

Property Management Agreement dated May 9, 2012, as amended July 9, 2012. The Property Manager will provide on-site supervision and day-to-day management of each of the properties, including leasing, budgeting, repairs and maintenance, banking and the necessary administrative and related services. In consideration of such services, the US REIT will pay the Property Manager fees equal to the property management fee payable in the market in which each property is located, which is expected to range between 3% and 4% of the gross revenue from the respective property. The Property Manager has subcontracted the Tipton Asset Group, Inc. ("Tipton") for the provision of property management services to the US REIT in respect of the properties. Pure Multi is related to Tipton by virtue of having officers and directors in common. Tipton charged \$946,275 in property management fees during the period ended December 31, 2013. All fees were paid during the period and there was no amount outstanding at December 31, 2013.

On February 3, 2014, the US REIT and the Property Manager entered into an amended and restated Property Management Agreement. Pursuant to the amended and restated agreement, the Property Manager provides on-site supervision and day-to-day management of each of Pure Multi's properties, including leasing, budgeting, repairs and maintenance, banking and the necessary administrative and related services. In consideration of such services, the US REIT pays the Property Manager fees equal to the property management fee payable in the market in which each property is located, which is expected to range between 3% and 4% of the gross revenue from the respective property. The amended and restated agreement also includes the following terms:

- (a) the amended and restated agreement is for an initial term of ten years, and thereafter will be subject to two successive automatic five year renewal terms provided the Property Manager is not in material default under the terms of the amended and restated agreement;
- (b) the US REIT has the right to terminate the amended and restated agreement in a number of circumstances, including as a result of an event of default of the Property Manager, being bankruptcy, fraud or material breach, subject to applicable notice and cure rights. The US REIT may also terminate the amended and restated agreement in the event of a change of control of Pure Multi, which is defined in the amended and restated agreement to be (a) the acquisition by any person, or group of persons acting jointly or in concert, of (i) voting control or direction over 50% or more of the votes attaching, collectively, to outstanding Units, or (ii) voting control and direction of 33 1/3% or more of the votes attaching, collectively, to outstanding Units and the election or appointment of such person or persons of their nominees as a majority of the Directors, (b) the sale of all or substantially all of the assets of Pure Multi, or (c) the termination of Pure Multi, provided that in the event of such termination, the Property Manager will be entitled to be paid the net present value of fees that would have been expected to be paid during the remaining term of the amended and restated agreement (without regard to any renewal terms), subject to a minimum of 30 months and a maximum of 36 months; and
- (c) the Property Manager may terminate the amended and restated agreement after the first five years of the initial term on 12 months' prior written notice. In addition, the Property Manager may terminate the amended and restated agreement in the event of certain events of default of the US REIT, including bankruptcy or insolvency proceedings or material breach, subject to applicable notice and cure rights.

The Property Manager continues to subcontract Tipton for the provision of property management services to the US REIT in respect of Pure Multi's properties.

Pursuant to the Voting Agreement, Sunstone has agreed that any voting rights with respect to the Governing GP will be voted in favour of the election of directors approved by Pure Multi. For these purposes, Pure Multi may maintain, from time-to-time, an approved slate of nominees or provide direction with respect to the approval or rejection of any matter in the form of general guidelines, policies or procedures in which case no further approval or direction will be required. Any such general guidelines, policies or procedures may be modified by Pure Multi in its discretion.

In addition, pursuant to the Voting Agreement, Sunstone has also agreed that any voting rights with respect to the Governing GP will be voted in accordance with the direction of the Unitholders with respect to the approval or rejection of the following matters relating to the Governing GP:

- (a) any sale of all or substantially all of its assets,
- (b) any merger, amalgamation, consolidation, business combination or other material corporate transaction, except in connection with any internal reorganization that does not result in a change of control,
- (c) any plan or proposal for a complete or partial liquidation or dissolution, or any reorganization or any case, proceeding or action seeking relief under any existing laws or future laws relating to bankruptcy or insolvency,
- (d) any amendment to the LP Agreement; or
- (e) any commitment or agreement to do any of the foregoing.

In addition, pursuant to the Voting Agreement, Sunstone has agreed that it will not cause the Governing GP to resign as the Governing GP except with the prior consent of the Unitholders. The Voting Agreement also contains restrictions on transfers of the shares of the Governing GP, except that Sunstone may transfer shares of the Governing GP to any of its affiliates.

STATEMENT OF CORPORATE GOVERNANCE

Pursuant to National Instrument 58-101 - *Disclosure of Corporate Governance Practices*, a disclosure of Pure Multi's governance system is attached to this Information Circular as Schedule "A".

APPOINTMENT OF AUDITORS

At the Meeting, the Unitholders will be called upon to appoint KPMG LLP, Chartered Accountants, as auditors of Pure Multi, to hold office until the next annual meeting of Pure Multi, at a remuneration to be fixed by the Directors. KPMG LLP has acted as the auditors of Pure Multi since the formation of Pure Multi on May 8, 2012.

Unless such authority is withheld, the Director representatives named in the accompanying Form of Proxy intend to vote for the appointment of KPMG LLP, Chartered Accountants, as auditors of Pure Multi, to hold office until the next annual meeting of Pure Multi, at a remuneration to be fixed by the Directors.

The Directors recommend that the Unitholders vote FOR the appointment of KPMG LLP as auditors of the Trust, at a remuneration to be fixed by the Directors.

PARTICULARS OF OTHER MATTERS TO BE ACTED UPON

Approval of Rights Plan Resolution

The Unitholders are being asked to consider at the Meeting and, if thought advisable, pass, as an ordinary resolution (the "Rights Plan Resolution"), the full text of which is set forth in Schedule "D", approving and authorizing the adoption of a unitholder rights plan for Pure Multi (the "Rights Plan"), a summary of which is contained below.

A copy of the unitholder rights plan agreement (the "Rights Plan Agreement") dated February 20, 2014 between Pure Multi and Computershare Investor Services Inc. (the "Rights Agent") is available, free of charge, upon written request to the Chief Financial Officer of Pure Multi-Family REIT (GP) Inc., Suite 910, 925 West Georgia Street Vancouver, British Columbia V6C 3L2.

Background and Purposes of the Rights Plan

The purpose of the Rights Plan is to provide the Directors and Unitholders with sufficient time to properly consider any take-over bid made for Pure Multi and to allow enough time for competing bids and alternative proposals to emerge. The Rights Plan also seeks to ensure that all Unitholders are treated fairly in any transaction involving a change of control of Pure Multi and that all Unitholders have an equal opportunity to participate in the benefits of a take-over bid. The Rights Plan encourages potential acquirers to negotiate the terms of any offer for Units with the Directors or, alternatively, to make a Permitted Bid (as defined below) without the approval of the Directors. The Rights Plan may, however, increase the price to be paid by a potential offeror to obtain control of Pure Multi and may discourage certain transactions. A bidder who does not satisfy these minimum conditions becomes subject to the dilutive features of the Rights Plan.

The Rights Plan does not affect in any way the financial condition of Pure Multi. The issuance of rights (the “Rights”) to the Unitholders following the adoption of the Rights Plan Resolution is not dilutive and will not affect reported earnings or cash flow per Unit until the Rights separate from the underlying Units and become exercisable. The adoption of the Rights Plan will not diminish or detract from the duty of the Directors to act honestly, in good faith and with a view to the best interests of Pure Multi, nor does the Rights Plan alter the proxy mechanism to change the Directors, create dilution on the initial issue of the rights, or change the way in which Units trade. The Rights Plan addresses several concerns that are widely believed to be inherent in the provisions of current legislation governing take-over bids in Canada. These concerns are described in greater detail below.

Time to Consider Bid

Under current securities legislation, the minimum period that a take-over bid must remain open for acceptance is 35 days. The Directors are of the view that 35 days constitutes an insufficient amount of time to permit them and the Unitholders to assess an offer, and to allow the Directors to negotiate with the offeror, solicit competing offers, consider alternative transactions, and otherwise attempt to maximize Unitholder value. The Rights Plan gives the Directors and Unitholders more time to consider a take-over bid by requiring an offeror to make a “Permitted Bid” if it wishes to proceed without negotiating with the Directors and without triggering the Rights Plan. In order to qualify as a Permitted Bid, the bid must meet certain minimum conditions. As will be more fully described below, a Permitted Bid must, among other things, be open for at least 60 days and must remain open for a further period of 10 business days after the offeror publicly announces that more than 50% of the outstanding Units held by Independent Unitholders (as defined below) have been deposited or tendered and not withdrawn. “Independent Unitholders” includes all holders of Units other than: (i) a person (or a group of affiliated or associated persons) who has publicly announced that it has acquired beneficial ownership of 20% or more of the Units (an “Acquiring Person”); (ii) any offeror who has announced a current intention to make or who is making a take-over bid; (iii) any affiliate or associate of an Acquiring Person or offeror; (iv) persons acting “jointly or in concert” with an Acquiring Person or offeror; and (v) a person who is a trustee of any employee benefit plan, unit purchase plan, deferred profit sharing plan or any similar plan or trust for the benefit of employees of Pure Multi or a subsidiary of Pure Multi, unless the beneficiaries of the plan or trust direct the manner in which the Units are to be voted or direct whether the Units are to be tendered to a take-over bid.

Pressure to Tender

A Unitholder may feel compelled to tender to a take-over bid that the Unitholder considers to be inadequate because, in failing to tender, the Unitholder may be left with illiquid or minority discounted Units. This is particularly so in the case of a partial bid where the Acquiring Person or an offeror wishes to obtain a control position but does not wish to acquire all of the Units. The Rights Plan contains a Unitholder approval mechanism in the Permitted Bid definition, which is that no Units may be taken up and paid for under the bid unless more than 50% of the outstanding Units held by Independent Unitholders have been deposited or tendered and not withdrawn. In addition, a Permitted Bid must remain open for acceptance for a further period of 10 business days following a public announcement that more than 50% of the outstanding Units have been deposited. The Rights Plan therefore effectively separates a Unitholder’s decision to accept a bid from the decision to tender, thereby lessening concern about undue pressure to tender to the bid.

Unequal Treatment of Unitholders

Under current securities legislation, an offeror may obtain control or effective control of an issuer without paying full value, without obtaining unitholder approval and without treating all unitholders equally. For example, an acquirer could acquire blocks of units by private agreement from one or a small group of unitholders at a premium to market price, which premium is not shared by the other unitholders. In addition, a person could slowly accumulate units through stock exchange acquisitions which may result, over time, in an acquisition of control or effective control without paying a control premium or fair sharing of any control premium among unitholders. Under the Rights Plan, if it is to qualify as a Permitted Bid, any offer to acquire 20% or more of Units must be made to all holders of Units.

How the Rights Plan Works and Effect of the Rights Plan

One Right will be issued in respect of each Class A Unit issued on or after the effective date of the Rights Plan and prior to the Separation Time (as defined below). In addition, Rights will be issued in respect of each Class B Unit issued on after the effective date of the Rights Plan and prior to the Separation Time in accordance with the provisions of the Rights Plan.

Notwithstanding the effectiveness of the Rights Plan, the Rights are not exercisable until the Separation Time. Unless waived by the Directors in the circumstances permitted by the Rights Plan, the Separation Time would generally be the close of business on the tenth trading day after the earliest to occur of:

- (a) a public announcement that a person or a group of affiliated or associated persons has acquired beneficial ownership of 20% or more of the outstanding Units (i.e., becomes an Acquiring Person) other than as a result of, among other things: (i) a reduction in the number of Units outstanding; (ii) a “Permitted Bid” or a “Competing Permitted Bid” (each as defined below); (iii) certain specified “Exempt Acquisitions” (as defined below); (iv) an acquisition by a person of Units pursuant to a distribution reinvestment plan, stock purchase plan or other “Pro Rata Acquisition” (as defined in the Rights Plan); and (v) an acquisition by a person of Units upon the exercise, conversion or exchange of a security convertible, exercisable or exchangeable into a Unit received by a person pursuant to (ii), (iii) or (iv), above;
- (b) the date of commencement, or the first public announcement, of an intention of any person (other than Pure Multi or any of its subsidiaries) to commence a take-over bid (other than a Permitted Bid or a Competing Permitted Bid) where the Units that are subject to the bid together with the Units beneficially owned by that person (including affiliates, associates and others acting jointly or in concert therewith) would constitute 20% or more of the outstanding Units; and
- (c) the date upon which a Permitted Bid or a Competing Permitted Bid ceases to be such.

An “Exempt Acquisition” would include the acquisition of Units or securities convertible into Units: (i) in respect of which the Directors have waived the application of the Rights Plan; (ii) pursuant to a regular distribution reinvestment or similar plan made available to all holders of Units where such plan permits the holder to direct that distributions paid in respect of such Units be used to purchase from the REIT further Units; (iii) pursuant to a distribution made under a prospectus or private placement provided that the person does not increase his, her or its ownership percentage; and (iv) pursuant to an amalgamation, merger or other statutory procedure requiring unitholder approval.

An Acquiring Person does not include a holder of 20% or more of the outstanding Units on the date the Rights Plan was implemented (a “Grandfathered Person”), provided that such Grandfathered Person acquires no more Units, other than through one of the exemptions set out in the Rights Plan. As of the date of this Information Circular, there are no such Grandfathered Persons.

As soon as practicable following the Separation Time, separate certificates evidencing the Rights (“Rights Certificates”) will be mailed to the Unitholders as of the Separation Time and the Rights Certificates alone will evidence the Rights.

After the Separation Time, each Right entitles the holder thereof to purchase one Unit at the Exercise Price. The initial “Exercise Price” under each Right is five times the Market Price at the Separation Time. “Market Price” is generally defined as the average of the daily closing prices per unit of such securities on each of the 20 consecutive trading days through and including the trading day immediately preceding the Separation Time.

Following a transaction that results in a person becoming an Acquiring Person (a “Flip-in Event”), each Right entitles the holder thereof to receive, upon exercise, such number of Units as have an aggregate market value (as of the date of the Flip-in Event) equal to twice the then Exercise Price of the Rights for an amount in cash equal to the Exercise Price. In such event, however, any Rights beneficially owned by an Acquiring Person (including affiliates, associates and others acting jointly or in concert therewith), or certain transferees of any such person, will be void. A Flip-in Event does not include acquisitions approved by the Directors (to the extent permitted by the Rights Plan) or acquisitions pursuant to a Permitted Bid or Competing Permitted Bid.

By way of example, assume that the Units have a Market Price of \$10.00 at the date relevant for determination. Following the Separation Time but prior to a Flip-in Event, a Unitholder would be entitled to exercise a Right and acquire one additional Unit in exchange for a cash payment of \$50.00. Following a Flip-in Event, the same Unitholder (unless it has become an Acquiring Person) would be entitled to exercise the Right and acquire 10 additional Units for the Exercise Price of \$50.00 (i.e., one-half of the Market Price).

In the event of an unsolicited take-over bid or a bid that is not a Permitted Bid under the Rights Plan, the Directors believe that the effect of the Rights Plan will be to enhance Unitholder value, ensure equal treatment of Unitholders in the context of an acquisition of control, and lessen the pressure on Unitholders to tender to a bid.

It is not the intention of the Directors to entrench themselves or avoid a bid for control that is fair and in the best interest of Unitholders. For example, Unitholders may tender to a bid that meets the Permitted Bid criteria without triggering the Rights Plan, regardless of the acceptability of the bid to the Directors.

Trading of Rights

Notwithstanding the effectiveness of the Rights Plan, the Rights are not exercisable until the Separation Time and certificates representing the Rights will not be sent to the Unitholders. Until the Separation Time, or earlier termination or expiry of the Rights, the Rights are evidenced by and transferred with the associated Units and the transfer of any Units will also constitute the transfer of the Rights associated with those Units. After the Separation Time, the Rights will become exercisable and begin to trade separately from the associated Units.

Permitted Bids

The Rights Plan includes a “Permitted Bid” concept whereby a take-over bid will not trigger a separation of the Rights (and will not cause the Rights to become exercisable) if the bid meets certain conditions. A “Permitted Bid” is defined as an offer to acquire Units made by means of a take-over bid circular where the Units (including Units that may be acquired upon conversion of securities convertible into Units) subject to the offer, together with Units beneficially owned by the offeror at the date of the offer (including its affiliates, associates and others acting jointly or in concert therewith), constitute 20% or more of the outstanding Units and that also complies with the following additional provisions:

- (d) the bid must be made to all holders of Units other than the offeror; and
- (e) the bid must also contain the following irrevocable and unqualified conditions: (i) no Units will be taken up or paid for prior to the close of business on the 60th day following the date of the bid and then only if more than 50% of the Units held by Independent Unitholders (as defined below) have been deposited or tendered to the bid and not withdrawn; (ii) Units may be deposited pursuant to

the bid, unless it is withdrawn, at any time prior to the date units are first taken up or paid for under the bid: (iii) Units deposited pursuant to the bid may be withdrawn until taken up or paid for; and (iv) if the deposit condition referred to in (i) above is satisfied, the offeror will extend the bid for deposit of Units for at least 10 business days from the date such extension is publicly announced and, if such bid is a partial bid, not take up any Units under the bid until the expiry of such 10 business day period.

Competing Permitted Bids

A “Competing Permitted Bid” is a take-over bid made after a Permitted Bid has been made and prior to expiry of such Permitted Bid that satisfies all of the provisions of a Permitted Bid, except that it must remain open for acceptance until at least the later of: (i) 35 days after the date of the bid; and (ii) 60 days after the earliest date on which another Permitted Bid then in existence was made, and only if at that date more than 50% of the Units owned by Independent Unitholders have been deposited to the Competing Permitted Bid and not withdrawn.

Redemption and Waiver

Under the Rights Plan, the Directors can: (i) waive the application of the Rights Plan to enable a particular take-over bid to proceed, in which case the Rights Plan will be deemed to have been waived with respect to any other take-over bid made prior to the expiry of any bid subject to such waiver, or (ii) with the prior approval of the holders of Units, redeem the Rights at a redemption price of \$0.00001 per Right at any time prior to a Flip-in-Event. Rights are deemed to have been redeemed if a bidder successfully completes a Permitted Bid or a Competing Permitted Bid.

Protection Against Dilution

The Exercise Price, the number and nature of securities which may be purchased upon the exercise of Rights and the number of Rights outstanding are subject to adjustment from time to time to prevent dilution in the event of distributions on the Units payable in Units, subdivisions, consolidations, reclassifications or other changes in the outstanding Units, and other circumstances where adjustments are required to appropriately protect the interests of the holders of Rights.

Form of Resolution and Vote Required

A copy of the full text of the Rights Plan Resolution is attached as Schedule “D”. In order to be effective, the Rights Plan Resolution must be approved by not less than a majority of the votes cast by Independent Unitholders present in person or by proxy at the Meeting.

Recommendation of the Directors

On February 3, 2014, after careful consideration, including a thorough review of the terms and conditions of the Rights Plan, the Directors, in consultation with their financial and legal advisors, determined that the adoption of the Rights Plan is in the best interests of Pure Multi. The Directors therefore recommend that Unitholders vote for the Rights Plan Resolution attached as Schedule “D”.

The persons whose names are printed on the Form of Proxy intend to vote FOR the Rights Plan Resolution unless specifically instructed otherwise on the Form of Proxy.

Approval of Restricted Unit Plan

The Unitholders are being asked to consider at the Meeting and, if thought advisable, pass, as an ordinary resolution, the Restricted Unit Plan Resolution, the full text of which is attached as Schedule “E”.

A copy of the Restricted Unit Plan (the “Restricted Unit Plan”) will be filed on www.sedar.com under Pure Multi’s profile. The Directors adopted the Restricted Unit Plan on February 3, 2014 in advance of the Meeting, subject to the Restricted Unit Plan Resolution being passed.

General

The Restricted Unit Plan will be used as an incentive plan to align the interests of directors, key employees, key management and consultants of the Governing GP and Managing GP and other eligible participants with the success of Pure Multi. Each restricted unit (“Restricted Unit”) and Distribution Restricted Unit (as defined below) will give the participant the right to receive the fair market value (the “Payout Amount”) of such vested Restricted Unit on the redemption date in cash, Units or a combination thereof, as provided for in the Restricted Unit Plan.

For the purposes of the Restricted Unit Plan, fair market value means the weighted average closing price of the Units on the principal Canadian stock exchange, being the TSX Venture Exchange (the “Exchange”), on which the Units are traded for the five trading days immediately preceding the applicable day. If the Units are not listed on the Exchange, the fair market value shall be the value established by the Compensation Committee based on the price per Unit on any other public exchange on which the Units are listed, or if the Units are not listed on any public exchange, by the Compensation Committee acting in good faith;

The purposes of the Restricted Unit Plan will be to:

- (a) support the achievement of Pure Multi’s performance objectives;
- (b) ensure that the interests of directors, key management and key employees are aligned with the success of Pure Multi;
- (c) provide incentive bonus compensation which is calculated based on the grant of Restricted Units and the appreciation in value of such units (including distributions payable in respect thereof) from the grant date until the redemption date, thereby rewarding the efforts of participants in the year of grant and providing additional incentive for their continued efforts in promoting the growth and success of the business of Pure Multi; and
- (d) attract, retain and motivate directors, key management and key employees critical to the long-term success of Pure Multi and the participating entities.

Pure Multi will reserve an aggregate of 600,000 Units for issuance under the Restricted Unit Plan. For greater certainty, limits on grants made pursuant to the Restricted Unit Plan include securities issuable under all security based compensation plans (including an option to purchase Units granted under the Equity Option Plan).

Grant of Restricted Units

Under the Restricted Unit Plan, each Restricted Unit and Distribution Restricted Unit will give a participant the right to receive, upon each Vesting Date (as defined below) with respect to such portion of the Restricted Units and Distribution Restricted Units which have vested an amount equal to the Payout Amount.

Under the Restricted Unit Plan, the number of Units reserved for issuance (i) to any one person must not exceed 120,000; and (ii) to any non-insider, employee or consultant in any 12 month period, must not exceed 240,000.

Distribution Units and Performance Criteria

When distributions are paid on Units, additional Restricted Units shall be credited to the participant’s Restricted Unit account as of the distribution payment date. The number of additional Restricted Units (“Distribution Restricted Units”) to be credited to the Participant’s Restricted Unit account shall be determined by

dividing the dollar amount of the distributions payable in respect of the Restricted Units allocated to the participant's Restricted Unit Account by the fair market value per Unit on the date credited.

Distribution Restricted Units shall vest at the same time and in the same proportion as the associated Restricted Units. The expiry date applicable to Distribution Restricted Units shall be the same as that applicable to the associated Restricted Units, which is, with respect to a vested Restricted Unit, December 31 of the third year following the year of grant (the "Expiry Date").

The number of a participant's Restricted Units and Distribution Restricted Units which vest shall be the number of Restricted Units and Distribution Restricted Units credited to the participant's account during the date between the grant date and the Vesting Date (the "Vesting Period") multiplied by a performance factor, if any, determined by the Governing GP from time to time and set out in the applicable grant agreement. The Governing GP may establish performance criteria, the achievement of which may be a condition precedent to the grant of the whole or part of any Restricted Units granted.

Vesting

Restricted Units granted under the Restricted Unit Plan shall, subject to certain terms described below, unless otherwise determined by the Governing GP and as specifically set out in the applicable grant agreement, vest and become available for redemption on the third anniversary of the date of grant (the "Vesting Date"). At the Vesting Date in respect of each Restricted Unit, a participant shall then be entitled to redeem such vested Restricted Units in accordance with the provisions described below, and upon such redemption, receive the Payout Amount in respect of such vested and redeemed Restricted Units.

Redemption of Restricted Units

A vested Restricted Unit which has become available for redemption may be redeemed by a participant at any time and from time to time after the Vesting Date and prior to the Expiry Date by delivery of a written notice of election to redeem. A participant is not required to pay consideration to redeem a vested Restricted Unit.

If, by the close of business on an Expiry Date relating to any vested Restricted Units, there remains any vested Restricted Units in respect of which a redemption notice has not been received, such vested Restricted Units shall be deemed to have been redeemed immediately prior to the close of business on the Expiry Date in respect of such vested Restricted Units. In the case of any deemed redemption pursuant to Restricted Unit Plan, the Payout Amount of the vested Restricted Units so redeemed shall be satisfied in the manner determined by the Governing GP, in its sole discretion.

On the redemption date in respect of the applicable vested Restricted Units, Pure Multi shall redeem all such vested Restricted Units specified in the redemption notice and satisfy payment of the Payout Amount to each applicable participant by, at the election of Pure Multi:

- (a) making a lump sum cash payment equal to the number of Restricted Units (and related Distribution Restricted Units) redeemed on such date multiplied by the fair market value per Unit determined as at such date; or
- (b) transferring to the participant one Unit purchased on the open market for each full Restricted Unit and full Distribution Restricted Unit; or
- (c) issuing to the participant one Unit of Pure Multi for each full Restricted Unit and full Distribution Restricted Unit; or
- (d) any combination thereof.

With respect to the purchases contemplated in (b) above, Pure Multi shall be subject to the policies of the Exchange or the rules and policies of such other stock exchange on which the Units are then listed and posted for trading.

Termination

Notwithstanding the vesting provisions of the Restricted Unit Plan and subject to any express resolution passed at any time by the directors of the Governing GP in respect of the grant of Restricted Units to any one or more participants to extend the period of time in which such Restricted Units may be redeemed, any Restricted Units which have not yet vested shall terminate and be of no further force or effect from and after the date of such termination (the "Termination Date"), and any vested Restricted Units of such participant shall be deemed to have been redeemed and the Governing GP shall be deemed to have received a redemption notice in respect of such vested Restricted Units on the Termination Date.

Either: (i) in the event of the resignation or retirement of a participant as an employee of Pure Multi or its affiliates or subsidiaries, or the termination of the employment of a participant for any reason other than for cause; (ii) where a participant ceases to be a consultant; or (iii) where a participant ceases to be a director of an affiliate or subsidiary of Pure Multi, as the case may be (each a "Terminating Event"):

- (a) a fraction of any Restricted Units granted to such participant hereunder and associated Distribution Restricted Units which have not yet vested as at the date of the Terminating Event shall remain outstanding and shall vest and become available for redemption on the Vesting Date established in respect thereof, the numerator of which fraction shall be the number of whole months between the date of grant and the date of the Terminating Event and the denominator of which fraction shall be the number of whole months between the date of grant and the Vesting Date; and
- (b) any vested Restricted Units as at the date of the Terminating Event shall remain available for redemption by a participant until the earlier of (i) one year from the occurrence of the Terminating Event or (ii) the Expiry Date in respect of such vested Restricted Units, and, failing such redemption, such vested Restricted Units shall be deemed to have been redeemed.

Form of Resolution and Vote Required

A copy of the full text of the Restricted Unit Plan Resolution is attached as Schedule "E". In order to be effective, the Rights Plan Resolution must be approved by not less than a majority of the votes cast by Unitholders present in person or by proxy at the Meeting.

Recommendation of the Directors

The Directors believe the Restricted Unit Plan is in Pure Multi's best interests and recommends that the Unitholders approve it.

The persons whose names are printed on the Form of Proxy intend to vote FOR the Rights Plan Resolution unless specifically instructed otherwise on the Form of Proxy.

Approval of Equity Option Plan

The Unitholders are being asked to consider at the Meeting and, if thought advisable, pass, as an ordinary resolution, the Option Plan Resolution, the full text of which is attached as Schedule "F".

A copy of the Equity Option Plan (the "Option Plan") will be filed on www.sedar.com under Pure Multi's profile. The Directors adopted the Option Plan on February 3, 2014 in advance of the Meeting, subject to the Option Plan Resolution being passed.

General

The purpose of the Option Plan will be to provide directors, key employees, key management and consultants of the Governing GP and Managing GP and other eligible participants with compensation opportunities that will encourage ownership of Units, enhance Pure Multi's ability to attract, retain and motivate key personnel, and reward directors, officers, employees and service providers for significant performance and growth in the Pure Multi's cash flow.

Number of Units Issuable

The maximum number of Units, which includes securities issuable under all security based compensation plans (including the fixed number of Restricted Units granted under the Restricted Unit Plan), to be reserved for issuance and which may in the aggregate be issuable pursuant to options granted pursuant to the Option Plan and all other security based compensation plans will not exceed 10% of the issued and outstanding Units as of the effective date, being 2,408,900 Units, or such additional amount as may be approved from time to time by the Unitholders. In addition to the maximum number of Units to be reserved for issuance under the Option Plan, the number of Units, which includes securities issuable under all security based compensation plans, that may be purchased will be determined by the Governing GP, provided that the number of such securities reserved for issuance to: (i) insiders (as a group) at any point in time, under all security based compensation plans of Pure Multi, shall not in aggregate exceed 10% of the total number of issued and outstanding Units; (ii) to insiders (as a group) in a 12 month period, under all security based compensation plans of Pure Multi, shall not in aggregate exceed 10% of the total number of issued and outstanding Units; (iii) any one Person in a 12 month period, under all security based compensation plans of Pure Multi, shall not in aggregate exceed 5% of the total number of issued and outstanding Units; (iv) any one consultant shall not in aggregate exceed 2% of the total number of issued and outstanding Units in any 12 month period; (v) all persons conducting investor relations activities shall not in aggregate exceed 2% of the total number of issued and outstanding Units in any 12 month period; and (vi) consultants performing investor relations activities shall vest in stages over 12 months with no more than 1/4 of an option vesting in any three-month period. Details of such limitations, including limitations with respect to grants to insiders of Pure Multi, are set out in the Option Plan and must follow the policies of the Exchange.

Exercise Price

The Directors will establish the exercise price at the time each option is granted subject to the following conditions: (i) if the Units are listed on the Exchange, the exercise price may not be less than the minimum prevailing price permitted by the policies of the Exchange, (ii) if an option is granted within 90 days of a distribution by a prospectus by Pure Multi, the exercise price will not be less than the price that is the greater of the minimum prevailing price permitted by the policies of the Exchange and the per Unit price paid by public investors for Units acquired under the distribution by the prospectus, within the 90 day period beginning on the date a final receipt is issued for the prospectus; and (iii) in all other cases, the exercise price shall be determined in accordance with the rules and regulations of any applicable regulatory bodies.

Vesting

The Directors have the power, where consistent with the general purpose and intent of the Option Plan and subject to the specific provisions of the Option Plan and any approval of the Exchange, if applicable to determine the time or times when any option will be granted, vest and be exercisable and to determine when it is appropriate to accelerate when any option otherwise subject to vesting may be exercised.

Term of Options

Subject to extension in the case of a blackout period, each option will expire on the earlier of the date determined by the Directors, provided that such date may not be later than the earlier of the date which is the tenth anniversary of the date on which the option is granted, and the latest date permitted under the applicable rules and regulations of all regulatory authorities to which Pure Multi is subject, including the Exchange. The Option Plan

provides for early termination of options in certain circumstances, including death and termination for cause, which, in the case of termination, shall not exceed one year from such termination.

Other Information

Upon the expiration, termination or surrender of an option which has not been exercised in full, the number of Units reserved for issuance under that option which have not been issued will become available for issue for the purpose of additional options which may be granted under the Option Plan. The number of Units covered by each outstanding option shall be proportionally adjusted for any increase or decrease in the number of issued Units resulting from a stock split, reverse stock split, stock dividend, combination or reclassification of Units or any other increase or decrease in the number of issued Units.

The Directors will administer the Option Plan and will make decisions relating to the Option Plan based on recommendations of the Compensation Committee. Subject to the terms of the Option Plan, the Directors may grant to any eligible person one or more options as they deem appropriate. The Directors may also impose such limitations or conditions on the exercise or vesting of any option as they deem appropriate.

Form of Resolution and Vote Required

A copy of the full text of the Option Plan Resolution is attached as Schedule “F”. In order to be effective, the Option Plan Resolution must be approved by not less than a majority of the votes cast by Unitholders present in person or by proxy at the Meeting.

Recommendation of the Directors

The Directors believe the Option Plan is in Pure Multi’s best interests and recommends that the Unitholders approve it.

The persons whose names are printed on the Form of Proxy intend to vote FOR the Option Plan Resolution unless specifically instructed otherwise on the Form of Proxy.
